MISSION

Mission-Impassioned

Building a Global Family
Through Love

Our mission is to bring
light to the darkest places
and to touch lives and
transform nations with
love as a *Kingdom Family*
Movement.

PERSONAL THANK YOU FROM LEIF, JENNIFER & THE GMA TEAM

Dear GMA Family,

Thank you for your partnership and investment in what God is doing through Global Mission Awareness. In a year met with many challenges, we are blessed to have an amazing Kingdom family in the nations who are burning brightly without burning out. Thank you for lifting us in prayer and sowing financial seeds into our ministry that have enabled us to soar higher and faster than we ever imagined. We have been experiencing incredible favor and open doors to disciple closed nations.

I sit here overwhelmed as I recall all the ways God has provided for His family this year. He is truly a good Father and faithful provider.

In early August, Jennifer and I attended a leader's gathering in Austria. We met with ministry leaders from across Europe but were specifically impacted by the stories from the ministries operating in Ukraine. We were able to come alongside these leaders and help provide funding for a feeding program for more than 2,000 people, help distribute aid in crisis zones, and create housing solutions for displaced families.

In Mozambique, we partnered with Iris Global and Serv International to provide one million meals for individuals impacted in Cabo Delgado due to the ongoing violent extremist insurgency.

On my annual trip to Pakistan, we hosted a pastors conference in Lahore where 600 of our church leaders gathered to worship King Jesus. We also hosted a Healing and Prayer Festival in an unreached area with 10,000 Pakistanis in attendance.

Jesus was glorified and many people received salvation and physical healing. There was a young girl who received her sight and was able to run for the first time in her young life. During our Interfaith, Peace and Harmony Conference, 500 religious leaders representing 72 streams of Islam, Sikh, Hinduism, and Christianity gathered together to discuss the power of unity and how to support impoverished and suffering communities. We were also able to provide food and basic necessities to families affected by the historic floods and Afghani refugees held at the Pakistan border.

We were blessed to travel to Cuba twice this year. Cuba continues to suffer economically due to the COVID-19 pandemic. In March, a small team traveled to Havana with 250 pounds of medicine, toiletries, and dry foods. Our directors, Yasser and Aki, were able to distribute the donations to their community and beyond. I will never forget seeing one of our leaders cry after receiving a brand new toothbrush! The revival fire continues to spread throughout Cuba. Our directors planted 60 new Lighthouses of Love. At the beginning of December, we traveled back to Cuba with a ministry team of 30 people. The team was incredible and poured out God's love in amazing ways. The church was strengthened and encouraged. Many people were set free from bondage and healed.

We are thankful for your financial support, as well as your friendship and kingdom family relationship. The GMA team is honored to be able to partner with you this season and watch as the Lord goes above and beyond what we could have ever imagined.

“Ask of Me, and I will give You The nations for Your inheritance, And the ends of the earth for Your possession.” Psalm 2:8

Much Love,

PROJECT HIGHLIGHT I

LIGHTHOUSES OF LOVE MOVEMENT, MINISTRY TRIP, AMOR RADICAL CONFERENCE IN CUBA

In the late 1990s, a VHS tape of one of my teachings made its way into the hands of some Christians in Cuba. Everything was underground back then, so they cautiously passed this tape around to different believers. Fidel Castro was still alive at the time and the communist rule was in full swing. But, I felt God calling me to go to Cuba and partner with what He was doing there. Now, 21 years later, in the middle of economic and political turmoil, the church is growing and thriving.

Today, there is a Kingdom family movement erupting in the hearts of the Cuban people. It is my joy to partner with Yasser and Aki who are pastors at a local church in Havana and are currently planting churches across the nation. They are raising up healthy families and discipling a Kingdom Family Movement in Cuba! **Throughout these last 21 years, GMA has been stewarding a dream for a movement of 1,000 Lighthouses of Love. These Lighthouses include house churches, a children's home, businesses, and a young adult evangelistic group.**

Through these Lighthouses of Love, previously practicing witches are encountering the Father's love, the sick are getting healed, and the lost are receiving Christ and becoming pillars in the church! **A young man named Michel, a professional musician in Cuba, chose to forsake his priesthood in the Yoruba religion, threw away all of his idols and surrendered his life to Jesus!** He now loves to use his musical talents to worship Jesus and share the good news wherever he goes. We've also had the privilege of providing relief to the community in emergency and crisis situations.

PROJECT HIGHLIGHT II

PAKISTAN FLOOD RELIEF, PC CONFERENCE & CRUSADE, THEOLOGICAL SEMINARY AND MUSIC COLLEGE GRADUATIONS

The Kingdom family in Pakistan continues to grow! In June, Pakistan was devastated by historic floods. According to UN reports, over 33 million people were affected. A recent report from UNHCR suggests that 7.6 million people were displaced. Immediately, **Global Mission Awareness (GMA)** was able to provide meals for 566 families. We continue to provide monthly support of shelter and food for families who have been affected by the flooding.

On my annual trip to Pakistan in May, we hosted a pastors conference in Lahore where **600 of our church leaders** gathered to worship King Jesus. We also hosted a **Healing and Prayer Festival in an unreached area with 10,000 Pakistanis in attendance.** Jesus was glorified and many people received salvation and physical healing. There was a young girl who received her sight and was able to run for the first time in her young life.

In November, GMA supported the Pakistan Theological Seminary graduation where our GMA Pakistan Director, Dr. Marqus Fida, presides as president. **A total of 221 pastors graduated from the Seminary and 52 students from the Music College.** Additionally, in early December, we hosted our annual Christmas party in Lahore. Every year, we gather all 600 of our church leaders and friends, Muslim, Sikh, and Hindu leaders together to throw Jesus a massive birthday party.

In partnership with the Grand imam, Maulana Abdul Khabir Azad, we were able to provide ongoing food and essential needs for the Afghan refugees who resettled in Pakistan and share God's heart with them. We were also able to host an Interfaith, Peace, and Harmony meeting in Peshawar. Many Muslim friends encountered the Father's love.

PROJECT HIGHLIGHT III

RWANDA, TANZANIA, UKRAINE

In August, GMA traveled to **Rwanda** to honor Father Ubald's life, memory, and work. Father Ubald was a Catholic Priest who dedicated his life to bringing restoration and forgiveness to the nation of Rwanda after the horrific genocide that occurred from April to July of 1994. Over a million people were killed during this time. To honor Father Ubald's memory and his work, GMA expanded its work to help continue his work of inspiring forgiveness and bringing healing to trauma

In November, GMA partnered with Jesus to All Nations, a ministry originating in Norway, to host a large healing crusade in **Moshi, Tanzania**. We've received reports of many salvation and healings! Lukas shared, *"Linn was suffering from severe pain in her womb and her waist. For two years she had been so tormented. But this evening Jesus touched her with His nail-pierced hands and she testified that there was no more pain in her body!"*

In July, GMA sent funds to support Kingdom family partners operating in Ukraine. Here's a testimony from Dennis and Anna:

"We departed Kyiv to go to western Ukraine as we began sensing God was speaking to us to leave the city. Even then, we were not sure of what was going to happen. Only a few days later as we slept in a rented room in far western Ukraine, we received a wake-up call around 5:30 am. It was our pastor. "It's begun" were his first words. Fighting off the shock, we gathered our things and quickly made our way to a nearby city to meet the YWAM base.

Anya and I took on the responsibility to mobilize and oversee evacuations from crisis cities in Ukraine. As they would arrive at our home base, people would be housed, fed, and given a hot shower while finding solace from the trauma they've experienced. From there, another team worked with arriving refugees to continue their evacuation into Europe.

Arriving at the refugee center out west, people were able to relax, eat freshly made food as much as they wanted, and enjoy a hot shower, as they prepared in a couple of days to continue further to Europe."

1,955+ People evacuated

2,000+ Displaced persons sheltered and fed
