5. MALAYSIA

1 PROJECT | 100 FAMILIES

6. THAILAND

1 PROJECT | 100 FAMILIES

7. MYANMAR

1 PROJECT | 100 FAMILIES

8. USA & CANADA

20,000 PEOPLE

9. NIGERIA

1 PROJECT | 3,000 PEOPLE

10. NETHERLANDS

1 PROJECT | 1.3 MILLION PEOPLE

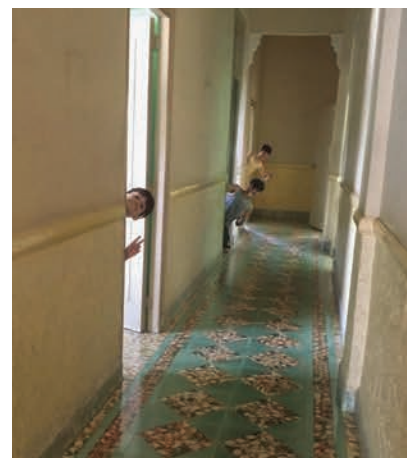

PROJECT HIGHLIGHT

CUBA MINISTRY TRIP & APOSTOLIC RESOURCE CENTER

I first partnered with Yasser and Aki in 2001 on one of my trips to Cuba. It was 19 years ago when they first received the baptism of love and began seeing their country from God's perspective. Cuba is a communist nation that has the ability to impact Russia, Iran, China, North Korea, and Saudi Arabia by training, equipping, and sending missionaries to those nations. Yasser and Aki's ministry is thriving and experiencing revival even in the midst of these unprecedented times. When the church had to close its doors due to the COVID-19 pandemic, they saw an explosion of house churches in their movement. They now have 30 house churches from all over Cuba under their ministry! At the beginning of the pandemic shutdown, the church community was able to provide masks and an attached letter from Jesus to their neighbors in Havana to tell each individual how much they are loved.

On our Cuba ministry trip, we spent the first three days in the heart of Havana, gathering religious leaders from all over the country. The GMA team helped to release the baptism of love to these leaders! Additionally, we were able to provide basic necessities for the leaders and their communities, including food, clean water, toiletries, clothes, and school supplies for the children. Because of your partnership, we are currently helping Yasser and Aki remodel a large house they acquired miraculously through a surprise inheritance. This new house will become their apostolic resource center where they will equip and send ministers all across the world. It is our greatest joy to partner with them!

PROJECT HIGHLIGHT

TEAM TRIP, BIÑAN CONFERENCE & MIRACLES, VOLCANO ERUPTION RELIEF

In November of 2019, I traveled to the Philippines with a ministry team to partner with Paul and Ahlmira Yadao and Destiny Ministries International. This trip was a historic marker for our GMA team as we saw hundreds of miracles and salvations! Our team was invited to minister in a secure prison in the city of Biñan. No western group or foreigner had ever been allowed in the prison. We got the opportunity to minister to the Chief of Police and prayed and prophesied over him and his staff. Afterward, we ministered to the inmates and nearly every one of them with pain in their body received instant healing! 350 men in the men's prison gave their lives to Jesus and had their names added in the Lamb's book of life that day!

At the DMI conference, we saw every person who received prayer experience miraculous healing in their bodies. We trained and equipped leaders of the network surrounding churches and were even able to bus in youth from impoverished areas to receive the baptism of love. They were deeply touched by Papa God's love and we saw healing and deliverance amongst the leaders and young people alike. In January 2020, a tragic volcanic eruption took place near Manila. It left many people in the city and surrounding villages homeless and without basic needs. We partnered with DMI and sent funds to help resource families with food, shelter, and water.

PROJECT HIGHLIGHT

PAKISTAN & KASHMIR

I was invited as the guest of honor to the wedding of the Grand Imam's son. This trip was historic in so many ways. We experienced favor unlike anytime I've visited in the past 20 years. I met the President of Kashmir at the wedding which led to me being invited into the region of Kashmir. This region is secluded because of its tense political past between Pakistan and India. It is impossible to get in as a foreigner. But, I was invited into the land by the man in charge. We held a summit for leaders from all of the different streams of Islam to talk about unity and peace. This is the first time all of these leaders have gathered together in one place and we were able to fund this groundbreaking time thanks to your partnership.

I was then invited to be interviewed on a radio station about the power of love. The presence of God was tangible during the interview and the program was broadcasted to 1.8 million Muslim listeners! At one moment, while standing with the Islamic leaders of Kashmir, the joy of the Lord was tangible in the room and we all began to laugh uncontrollably without explanation (although, I knew exactly what was happening)!

Every year for Christmas, I ask Jesus what He wants for His birthday. This year, He said that He wanted a lavish birthday party with all the Christian and Muslim leaders in Lahore. So, we did just that! We invited all of the leaders of the different streams of Islam and presented them with PEACE Awards from Jesus. It was very significant! One of those leaders was a dear friend named Zubair, who is the El Hadis leader of the Saudi stream of Islam. Christians and Muslims united under one purpose and that was to celebrate JESUS!

When Covid-19 began to spread worldwide, we sent money to provide for 200 members of the persecuted church in Pakistan who were unable to work to provide food and basic needs for their families. We also called the Grand Imam of the King's Mosque and asked if any families in the mosque needed help. We sent provisions for 200 Muslim families who were in need. Papa God wanted us to take care of our brothers and sisters, but also to take care of His future children as well. We were able to help a total of 400 families!

PROJECT HIGHLIGHT

PENANG GATHERING & ASIA COVID RELIEF

Our dear friends, Benji and Daniel Morf of Kingdom Multiplication Asia reached out to us for help to support starving people in Thailand. Because of the travel restrictions of Covid-19, most people in Thailand didn't have any sort of income or ability to support themselves. We sent them \$5,000 to aid in the relief efforts. We were able to provide for more than 300 families and 100 girls in the Red Light District of Chiang Mai for four months. In this tough time, your partnership enabled us to scatter seeds wide and far to be the hands and feet of Jesus to so many around the world.
